

PENN PARISH COUNCIL

Tel: 01494 815589

The Parish Council has considered the planning applications below and has the following comments. The final date for neighbours' comments are shown in brackets

- CH/2007/0497/FA **2 Pitch Pond Close, Knotty Green**
(Not known) No comment
- CH/2007/0502/HB **Puttenham Place Farm, Elm Road, Penn**
(Not known) No comment
- CH/2007/0536/FA **Holmwood, Witheridge Lane, Penn**
(21 May 07) No comment
- CH/2007/0549/FA **1 Jevington Place, Penn Road, Knotty Green**
(25 May 07) We are concerned that the removal of trees to allow the separate access will expose the new houses to the two adjacent Listed Buildings and so damage their setting.
- CH/2007/0615/FA **Marigold Cottage, Beacon Hill, Penn**
(Not known) The existing hedge is long-established and Condition 5 was put on expressly to maintain, as far as possible, the character of the locality. We would like the decision to be based on Keith Musgrave's assessment of whether it is possible to retain and improve the existing hedge.
- CH/2007/0616/FA **Holmwood, Witheridge Lane, Penn**
(25 May 07) No comment
- CH/2007/0678/OA **Langham House, 2 Drews Park, Knotty Green**
(Not known) We object to this application. The property is in an Established Residential Area of Special Character in which Policy H4 requires that plot sizes should not be significantly at variance with other existing plots. This application would not safeguard the existing local character
- CH/2007/0706/DE **14-16 Howe Drive, Knotty Green**
(24 May 07) No comment
- CH/2007/0779/TP **8 Chacombe Place, Knotty Green**
(Not known) This is for the expert view of the Forestry Adviser, but we do think this pine tree is important in the street scene
